

ADAPATED FOR DELUXE KIDS! BY HAROLD JAY TROTTER

# WELCOME TO THE WIZ!

**Get ready to Ease on Down the Road!**

I'm so excited to welcome each of you to our magical, soulful, and joy-filled journey through The Wiz Jr. This show isn't just a musical, it's an adventure full of color, courage, laughter, and heart. Over the next several weeks, our young actors will learn songs, dances, teamwork, and confidence that will stay with them long after the final bow.

To our amazing parents and guardians: thank you for trusting us with your young performer's talent and imagination. Your support via rides to rehearsal, helping them practice lines, and cheering from the audience means the world. We couldn't do this without you!

To our incredible cast: congratulations on being part of something special. Whether you're a Munchkin, a Winkie, a Lion, or the Wiz himself, every single role matters. You are all storytellers, and together we're going to bring this world to life in a way that will make audiences smile, laugh, and maybe even dance in their seats.

Now lace up those dancing shoes, warm up those voices, and get ready for an unforgettable experience. It's time to believe in yourself and ease on down the road!
