

# SQUARE BIZ

Teena Marie

Flash back, who's that dancing to the latest?  
Suave de bone, the greatest, ooh, he sure is moving me  
That's what I said, though, you didn't know yet  
All of it was kismet, soon to be made history  
So, don't you have no doubt, I'm gonna spell it out  
I'll hip you to the Tee', that is  
I got the best, the most, baby, from coast to coast  
And I don't wanna boast, but I love you, square biz  
I'm talking square biz to you, baby  
Square, square biz  
I'm talking love, that is  
Square, square biz
